NICEIC/ ELECSA Landing Page

NICEIC and ELECSA are the UK's leading certification bodies in the electrical contracting industry. With over 34,000 registered members operating in the UK, there is a wide choice of domestic, commercial and industrial electrical contractors available.

NICEIC and ELECSA registered contractors are:

- Regularly assessed
- Safe and compliant with regulations
- Covered by the NICEIC Platinum Promise
- Covered by a formal complaints procedure

NICEIC and ELECSA contractors are authorised to self-certify their work to the Local Building Control Body. This saves you both time and money when undertaking work that requires notification under the Building Regulations.

Editor's Notes:

Launched in 2016, TenderSpace is based upon a concept conceived by its founder David Stapleton, that many of the processes inherent in the property and construction industries can be simplified and improved upon.

TenderSpace simplifies and streamlines many of the complex and costly processes associated with property and construction related projects, opening up access to new opportunities and improving transparency and efficiency within the industry.

Based in Poole, Dorset, the TenderSpace team has more than 50 years of property and construction experience.
